## How Academic Managers Keep the Program Running Smoothly

1.  **Oversee Academics** - CRWs, academic excursions, classroom readiness, smooth transitions
2.  **Support Instructors** - introductions, communication, classroom needs, equipment setup, periodic check-ins
3.  **Manage Academic Logistics** - schedules, attendance, supplies, student follow-up
4.  **Partner with Leadership** - daily coordination with CD + SPA on operations and student support
5.  **Support Mentors and Students** - guide mentors and help students stay engaged and successful
6.  **Solve Problems Early** - identify issues quickly and keep academics running smoothly
