

CAMPUS & AREA

- Boundaries are for Safety and Security.
- Groups of 3 - whether on an excursion or off-campus (but within the boundaries), students should never travel alone.
- Food Delivery - must be during designated meal periods; at your own expense
- **Reminder you need to be back on campus by 9:30PM, and in your room ready for bed checks by 10:30PM.**
- This "boundary map" is exactly like what we give SSB students on program. While you won't really be confined to these boundaries while at DT, it is helpful to see important locations!
