

Terra Education Travel

Started in 2004, Terra's first program was **Global Leadership Adventures**, an international service-learning program for teens.

In 2012, the **Discover Corps** program was created to operate volunteer vacations for adults, families, and university groups.

In the fall of 2016, we launched **Summer Springboard**.

In 2022, **Beyond Sports** officially became part of the Terra Education family, after a long standing partnership.

*Terra Education is a **certified Benefit Corporation**. B Corporations use business to create a social good.
(Others include Patagonia, 7th Generation, and Warby Parker)*
