

How can campus leadership help facilitate successful CRWs?

- Ensure entire staff team (Mentors) have an understanding of CRWs and their value.
- Frame the experience with students from the start!
 - Skills for immediate future & long term personal/professional development
- Understand how CRWs will work at your specific campus.
 - Small campuses vs. large campuses
- Spaces
 - Where will CRWs be held? Same each session or different?
 - Physical space setup
- Forming student groups
 - Mix it up!
 - Consistency (no switching groups)
- The ACD will be the CRW Facilitator contact
 - Arrival to campus, finding classrooms, setup
 - Orientation
- What's your role?
 - Mentors **must** be in the classroom at all times.
