

6. Rooming

Students are not allowed to enter any room not assigned to them unless given direct permission by a SSB Program Staff member. Any student who is in a room other than their own may result in disciplinary action.

Extra important policies for Residence Hall living:

- Dorms with kitchenettes: students should not use gas stoves or oven without staff present
- Dorm decor: students should not buy decor or if they do, it must go home with them
- Commuters staying late/commuters going into rooms is not allowed
