

Managing Sickness on Program

- **Student Responsibility:**
 - **Part of the COC: Student must manage their personal well-being.**
 - Communicate Needs
 - Take medications independently
 - Practice self-care
- **Staff Responsibility:**
 - **Frequent student wellness checks**
 - Mentors connect with mentees 1x per day
 - Pulse Checks
 - Private conversations with students as needed
 - If symptoms show up, a staff member must be appointed to check in with student and monitor their symptoms
