

The S's of Success on Day 1 & Beyond

Set The Tone!

Setting **CLEAR** expectations for the team.

"You should be taking attendance via REACH every time the students transition."

Stay Visible!

Making sure that leadership is **consistently visible and supportive.**

I'm checking REACH in real time to make sure the Mentors are taking attendance.

See It Through!

Holding yourself and your team **accountable** for the expectations.

If the forget, remind them of the importance of taking attendance for student tracking and safety.
