

Clubs - Best Practices

Let's hear from our alumni leaders!

What worked well and what can our newbies learn from your experience having clubs last year?

- Small campuses - allowed students to choose 2 clubs (UCSB)
- Used a passport for their club fair to make sure they visited all club tables and learn about what all the offerings were (UCSD)
- Be creative -
 - MIT had Kendall Explorers to explore new cafes/dessert spots in Cambridge
 - MIT also had Ping Pong Tournament
 - UCSD had Board Game Club, Destress Club, and Mystery/True Crime Club
 - Berkeley had Dungeons and Dragons
