

What is Reach?

Reach will be primarily used for ATTENDANCE while on program. You will be able to receive and approve Leave Requests from students. You will NOT use Reach for airport arrivals and departures.

Mentors will primarily be using Reach, but AMs and CDs will be able to see where students are on campus and approve Leave Requests.

Leave requests: Some students will have approved leave requests from before the program starts. Others may request leave during program. Students should request their leave, and their parent must approve it. Then our directors
