The screenshot displays the 'Dashboards' section of the Daily Reach Usage interface. On the left is a dark sidebar with navigation links: Dashboards, Airport View, Audit Log, Student Summary, Email Log, Kiosk View, Manage Leave, Meals Dashboard, and Metrics View. The main content area features a 'Kiosk Filters' section with dropdown menus for 'All Student Types', 'All Grades', 'Classroom, Not Checked In', and 'All Groups', along with 'No Grouping' and 'Select All'/'Deselect All' buttons. Below the filters are two panels: 'On Campus' and 'Off Campus'. The 'On Campus' panel contains five status categories: Afternoon Activity (blue circle), Checked In (orange circle), Classroom (purple circle), Dorm (teal circle), and Evening Activity/Club (pink circle). The 'Off Campus' panel contains three status categories: Daily Check-Out (Commuters Only) (black circle), Excursion (red circle), Not Checked In (yellow circle), and Off-Site Activity (purple circle).
