

Scenarios

1- “A parent says their child “doesn’t feel safe’ because of another student’s identity.”

2- A student (Student A) has just reported to a mentor that another student told them that they are going to get deported. The staff member did not witness the incident. The staff (mentor) reports to the Campus Director that a student (Student A) came to them very upset because another student (Student B) said they were going to get deported.

3- Student A asks Student B (who is from Russia) “Why do your people like going to war so much?”
