

Blog Highlights Form

This year, we're introducing a highlights form for on-campus staff to share standout moments from their programs. Our goal is to make the submission process as simple and convenient as possible for everyone.

If you already submitted the form but want to add something else, simply fill out the form again and submit a 2nd time. We will gather all of the info.

If you have any questions please contact us at blog@summerspringboard.com.

Here are some examples:

- We had a smooth check-in process with our new SSB friends from all over the world, including Greece!
- The students settled into their groups and got a tour of the Cunningham Residence Hall where they'll call home the next two weeks.
- The Architecture students went on a wonderful hike to get inspired at Inspiration Point for their big final project, a visitor center!
- Some students participated in a competitive (but friendly!) pool tournament!
