

# Safety & Risk Management

At SSB, we value the health and safety of participants and staff at the highest level. **We have developed policies and procedures that allow us to operate in the safest manner while managing and reducing risk.**

## Expert Team

Our dedicated team utilizes industry networking, third-party consultants, and internal reviews to mitigate risk.

## Program Standards

Strong student:staff ratios and a rigorous staff interview process including background checks on teen programs.

## 24/7 Support

Emergency response plans and 24/7 hotlines ensure participants and families have constant access to assistance.
