

When Duty of Care is Violated...

Immediate Action Steps

- **STOP** activity immediately
- **Implement corrective action** to remove unsafe conditions
- **Communicate** to management promptly
- **Prevent** future occurrences through analysis

Incident Response Principles - 3 C's

- **Care:** *I care about the situation, its urgency, and your wellbeing. It's my top priority."*
- **Compassion & Empathy:** Understand the perspective of someone in a foreign area without family.
- **Control:** Clearly communicate that you have resources and can provide help.
