

Incident Response Key Concepts

Flexibility & Teamwork

Every incident is unique. Learn from prior events without assumptions.

Collaborative Mindset:

- Don't act alone
- Ask: "Am I missing anything?"
- Seek "What do you need now?"

Gathering Information

Collect all available data as it is known *currently & document*.

REMAIN NEUTRAL

Focus on Core Needs

- **Human Safety**
- Human Needs: Food, water, accommodation, transport
- Containment: Isolating the event from spreading
- Effective Communications
