

Final Ceremony

This is the chance to celebrate students completing their accomplishments over the past 1 or 2 weeks!

- Your Certificates of Completion will be in your Staff Binder, ready to be printed for your final ceremony
- Letters of Recommendation from instructors will be emailed within 1 month after their session wraps up
- Plan for when your final evaluations will happen, usually after a fun final ceremony is best
- Fun ideas for final ceremony: Student Superlatives, Yearbook Club slideshow, Talent Show, Presentations of Academic projects, mentor panel, etc.
