

Soiree + Celebration

Students should leave the ceremony and final party feeling inspired to return home with their gained experiences, honored for their achievement, and with a positive final memory with their peers.

- You should find a space on campus or your PD will already have booked one
- The celebration is a fun space for students to dress up and have fun with the whole program, commuters are encouraged to attend. Celebrations typically include dinner/snacks/beverages, games, music, a curated slideshow from the session, and any other activities that are appropriate
