

The SPA Six

The Engine Behind Student Experience & Logistics

SPA = Execution + Energy + Logistics

1.  **Coordinate Transportation** - airport pickups, drop-offs, arrivals, departures
2.  **Run Activities Smoothly** - clubs, evening programming, supplies, spaces
3.  **Manage Logistics** - equipment, activity supplies, staffing schedule requests
4.  **Support Excursions** - academic + non-academic trip coordination
5.  **Enhance Student Experience** - soiree support, transitions, atmosphere, engagement
6.  **Support Program Closeout** - pack-up, inventory, final logistics
