

Instructors: Setting Expectations

Day 1, Monday

- All instructors will use the same slide ([SSB Course Overview Slide](#)) on day 1 of each session

Day 3, Wednesday

- Instructors will administer a student pulse survey in their classes to understand how the students are doing in their class

Day 5, Friday

- On the first Friday of each session, all SSB teams will do a survey, to understand how the courses are going.
- PDs will review the students' feedbacks and share with instructor for any changes to their course, if needed
