

Disciplinary Process

Step 1: Official Warning

- May be delivered verbally or in writing
- Two staff member must be present
- During the warning staff should:
 - Clearly explain the behavior that violated program expectations
 - Ensure the student understands the program rules and expectations
 - Explain the consequences if the behavior continues
 - Provide guidance on how the student can correct the behavior
- Contact parents or guardians to inform them of behavior concern, warning issued, and steps required for improvement
- Document the incident

Examples: Student is late for their academic track or designated meeting time, using their phone at an inappropriate time, not following the Rule of 3 groups.
