

Supporting Students to Maximize Their Academic Time

Mentors will be assigned to specific academic tracks. They will:

- Guide students to/from class early on
- Take daily attendance & learn who is in the class
- Interact with instructors to make sure students are in class, on time and doing well
- Check in regularly with both students and instructors
- Attend & chaperone excursions
- Mentor students to maximize their excursion opportunities modeling networking
- Take photos in class & during excursions
