

How will I use Reach? (Mobile)

Taking Attendance aka **Live Roll Call**

- Go to Rollcall > New Roll call
- Select Category
- Set Present or Absent (In Classroom)
- Add notes as needed
- Click check mark to mark present, or “x” to mark

Important Note: Each Live Roll Call has a specific timeframe. Example: Complete class attendance between 8:30am and 9:10am (if you take attendance outside of these times it will not be logged).

When to take attendance: Academic Courses, College Readiness Workshops, Activities (Afternoon, Evening) and Bed Checks

The screenshot displays the 'Rollcall Setup' screen in a mobile app. At the top, there's a header 'Rollcall Setup' with a home icon and a checkmark. Below this, the 'Type' section has a toggle switch for 'Live' (which is turned on) and 'Standard'. The 'Select Category' section lists several options with radio buttons: 'Excursion (Live): 12:00 AM - 11:59 PM', 'Morning Class Attendance (Live): 8:30 AM - 9:10...' (which is selected), 'Afternoon Activity 1 (Live): 12:30 PM - 3:00 PM', 'Afternoon Activity 2 (Live): 2:30 PM - 5:30 PM', 'Evening Activity/Club(Live): 6:00 PM - 8:00 PM', and 'Bed Check (Live): 9:30 PM - 11:00 PM'. Below the categories, the 'Present Location' section shows buttons for 'Afternoon Activity', 'Daily Check-Out (Commuters Only)', 'Approved Leave', 'Dorm', 'Checked In', 'Not Checked In', and 'Classroom'. The 'Absent Location' section has a plus sign button. At the bottom, there's a red navigation bar with icons for 'HOME', 'LEAVE', 'KIOSK', and 'MORE'. A 'New Message' notification is visible at the bottom left of the screen.
