

Reach Leave Requests (Desktop)

Approving Leave Requests

- Click on Leave Management > Manage Leave
- Click on the student card you would like to review
- Review student request details
- Destination
- Pick Up Person (Host)
- Transportation
- Return Time
- Confirm contact with pick up person
- Approve/Deny; add comment if needed

Using “Airport View” to see upcoming arrivals and departures to/from campus students that will be leaving or returning in the next 24 hours.

(Note this has nothing to do with airport pick ups or drop offs)
