

Paying for things on program

All lodging and meals, coach transportation, and excursion costs are already paid by PDs

- **Meals:**

- Between sessions, if no meals are provided or prepaid to campus, you will be given \$10 for breakfast, \$20 for lunch and \$20 dinner if staying on campus.
- If you choose to eat a meal out during your night off, this is done at your own personal expense.
- On most campuses we will eat most meals on campus. If eating off-campus students and staff will be given cash or funds on PEX Prepaid Card (Berkeley, UCLA, MIT, Oxford, NYSID) (\$20 - lunch, \$20-\$25 - dinner) No receipts required.
 - *At Six Flags (for the programs that go to Six Flags) meals will be included.*
- Occasionally, students and staff will meet in their Mentor groups to have a meal together off campus. In these cases, the same amounts apply (as above) but the Mentors will cover the cost of meals with their PEX card, and submit a receipt through the PEX app.

- **Lyft/UBER:**

- Lyft/UBER may be used for airport transfers, occasional errands, or accompanying a student to urgent care.
