

Bill Visa Credit Card - Cont.

Assigning Funds:

Individually adding or removing funds:

- Click on the budget you are working with, click “manage members & funds”
- Add or remove money in “assigned funds” column
- Cardholders can request funds. Request is instantly sent to budget owners to approve
 - tap the **Add (+)** icon Tap **+Request Funds**

Assign funds in a batch:

- From the bill.com phone app. Click the **+**, select **Send Funds**, select the budget, select the budget members, enter the amount.
- From the website, Go to budgets home screen (not the specific budget), click **Send more funds**, select the budget, People, and the Amount

Receipt Uploads - Required - Complete daily at least

- After making a purchase with your bill card:, upload a picture of the receipt
- Use the dropdown COGS menu & specify details of the charge
- Upload as you go, but at least complete daily.
 - Instructions: <https://help.bill.com/direct/s/article/5491969>
