

Duty of Care

Duty of Care is the moral and **legal obligation** of organizations to their participants in maintaining well-being, security, and safety while traveling.

Preparation & Awareness

- Ensure staff / guides understand student needs and logistics
- Know where to find resources and when to act

Communication & Oversight

- Identify trends and follow up
- Maintain clear head office to field communication
- Review surveys and catch anomalies

Responsibility & Leadership

- Act responsibly and model good judgment
- Avoid dangerous or irresponsible activities
- Lead by example to set the standard
