Day 6: The Situation Explodes

Setting: Day 6 (Friday), students have just returned from the Fun Friday Excursion.

What Happens:

After students have returned and during free time 15 minutes before room checks, Tyler approaches Eric and asks if he can talk with him. Tyler says that during the middle of the night last night, Jordan went to Maya's room and slipped a note under Maya's door and Jordan told him the note said "If you leave this program without talking to me, I'll make sure everyone knows what kind of person you really are, but I love you and don't want to go that route. Meet me in my room tomorrow night, I have some stuff for us to chill on Saturday and hang out and talk things out". Tyler also mentioned that Jordan was able to get his hands on a weed pen and a small bottle of vodka, and is planning to bring it on the Saturday excursion in hopes of sharing with Maya and winning her over.

After hearing everything from Tyler, Eric immediately rushes to the office and tells you everything he just heard and is set on searching Jordan's room and sending him home tonight.
