

TIPS FOR COMMUNICATING WITH PARENTS (when they call you)

**Try to find out
what they have
heard from their
student most
recently**

**Consider
offering to
arrange for them
to speak with the
student**

**Share your
name, your
role and ask
what they are
calling about**

**Provide context
(the schedule
ahead, the
location etc)
and try reach
the point of
their call**

**Thank them, be sure to
share next steps to
address the problem
When the can expect a
follow up**
