

Excursion POC Info

Excursion Sheet in Master Schedule & POC Info

Academic Course	Status	Date	Time	Organization/Activity/Speaker	Address	Contact Name	Contact Info	Notes
								students and mentor will walk to address provided to be on campus assigned to building (and Michael when outside 774-766-7755) From Michael: 1-45 meet in Whitaker Lobby & introductions 2-3 meet in BME shop and lab (electronic, mechanical, design) 3-3:30 4th floor medical product demo's and Q&A (there is a little call next to Whitaker if the instructor and/or staff are called)
Biomedical Engineering	Confirmed	Wednesday, June 18th	20 mins from woodruff 1:45 - 3:30pm	GA Tech lab and Biomedical Engineering departments	313 First St, Atlanta, GA (Whitaker Hall)	Michael Fisher	mfisher@bme.gatech.edu	
Emergency Medicine	Confirmed	Wednesday, June 18th	2:00pm-3:30pm	Arthur M. Blank Hospital Emergency Dept - Children's Healthcare of Atlanta, GA 30329	2225 N. Donald Hills Rd NE, Atlanta, GA 30329	Sarah Smith (instructor)		Sarah is planning with timing, check in with Sarah. Bus info to be shared when received - should be end of Tuesday or Wednesday morning. Bus pick-up/drop-off is Woodruff or John Lewis Student Center depending on if the bus is at hospital, to be confirmed with Sarah.
Mechanical Engineering	Confirmed	Wednesday, June 18th	depart by 12:45pm 1:00 - 3:00 PM	Georgia Aquarium	225 Baker St NW, Atlanta, GA 30313	Ben Davis (instructor)		Bus info to be shared when received - should be end of Tuesday or Wednesday morning.
								A&B to be dropped off at Blue Sky Rd, meeting with Jerry Riley, Chs Officer, Hartsfield Jackson Atlanta International Airport. from Davis, 6:17 1. Time: 7:00 PM - 3:00 PM (we will need the extra travel time to the big event that is planned on the same day) 2. Not has been cancelled 3. If he is unable to secure a conference room location, due to the air) have to pay for a small space in a restaurant within the airport. The normal entrance and drinks to reserve the space. I will have an app wanted to make you aware of this. Business will be taking the bus with students. Observatory tent, pool, solar telescope, and hands-on activities. Early 1:15 hours, notes from it is probably easiest to meet right outside the main planetarium entrance. planetarium is located on the 3rd floor of the Math & Science Center. planetarium doors are located in the vestibule off one of the main entrance building on Downtown Drive, right across from Whole Food. The attached campus map with an "X" marking the recommended MSC entrance if it the planetarium doors. The planetarium itself is across ESW, I assume themselves lost in the building). Atlanta Tech Village will provide: -Tutor -Presentation/Connection with 3 A&T members/Johnson GT Atlanta -Q&A SSB (Katie) will provide student list and our mode of transportation Other contact: Richard Hatcher richard.hatcher@atlantatechvillage.com There will not be standard Emergency Medicine class and instead sit; CPR certification course. Jeff certified students last year and a return will be confirmed with Jeff but we will likely need assistance. Help with;
